God Is Working!

If you recall from our previous newsletter, we were having some major technical difficulties with our production equipment, but we finally seem to have it figured out and we are seeing **God at work!**

We are thrilled to have been able to put out more content for our viewers and subscribers like you, and God has brought a large audience to some of our recent productions. One of our most recent videos that we released was part of the Seashore Sessions from the 2025 Marine Biology Trip, titled "If God Created Two People, Why Are There Four Blood Types?". In less than just 2 weeks, we have had **over 11,000 viewers** on that video alone and gained an additional nearly 250 subscribers from it! **Praise God!**

We have also released another video to go with this same series this past week, titled "How Long Was Jesus in the Tomb?" and a podcast titled "What About Tattoos?". Next week, we will be adding to the *David and the Giants* series with the video "Post Flood Giants and King Og". Head to our website to tune in!

Statistics

Last month we had seen a substantial decrease in viewers due to our technical difficulties, but we are praising God that He is greatly restoring what was lost!

"When Job prayed for his friends, the Lord restored his fortunes. In fact, the Lord gave him twice as much as before!" Job 42:10 NLT

While I am so excited to have shared more content with those looking to deepen their faith, I have been struggling personally, as the pain in my neck has greatly increased. I am thanking God that the pain in my back is gone now after my back surgery, but I am seeking His strength to endure the new pain I am experiencing now. I will be having surgery on my neck in mid-September, and I am earnestly praying for some relief from this pain. If you would be so inclined, **lift me up in your prayers that I would be strengthened by God to continue to do His work.**

“But he said to me, ‘My grace is sufficient for you, for my power is made perfect in weakness.’ Therefore I will boast all the more gladly of my weaknesses, so that the power of Christ may rest upon me. For the sake of Christ, then, I am content with weaknesses, insults, hardships, persecutions, and calamities. For when I am weak, then I am strong.” 2 Corinthians 12:9-10
