

## The Word Became Flesh

*“And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.” (John 1:14).*

If you have been following along with our Gospel of John series, then you will recognize this verse. And this verse sums up the Christmas story. The Word, who was at the beginning and from Whom all things were made and Who was Himself, God, came down to earth and was made into flesh. Jesus, the Word, then dwelt among us, being fully God and yet fully human, to reveal to us His glory, grace, and truth. It is for this very reason that Evidence 4 Faith exists. **Our purpose is to teach the world about Jesus, who came to die for us sinners, and to teach them the Truth.**

We have been so greatly blessed by our Lord to join Him in this mission, and we are continuing to remain busy by offering 3 productions each week. **I also had the opportunity last month to speak at 3 different events** that were hosted by Community Church of West Bend. First, I spoke to a group of Seniors on *I am a Senior – What is My Purpose?*, on which there was about 80 in attendance, and I received fantastic feedback.

On that same day, the church opened their doors to 190 homeschool community members and I spoke on *The Great Exchange*, where I performed various experiments showing how plants and animals work together in a cycle like how God exchanges our sins for righteousness. The church has already booked me to return next year! Two days after that, I was back at their church speaking on *Dinosaurs and the Bible* to their private school of which the students ranged in age from pre-K to high school. They seemed to greatly enjoy it, and we had a long Q & A afterwards.

I do not have any live speaking events scheduled for this month as **I am recovering from neck surgery that was performed on November 24, but we will continue to release podcasts and videos as usual on our website!** Your prayers for healing would be greatly appreciated as this surgery was quite painful, and I hope to be back speaking at the beginning of the New Year!

## Booking for 2026

It is hard to believe we are about to start a new year! **We are currently booking speaking events for 2026**, and I hope you would consider me coming to your church, school, event, or homeschool group! **Take a look at the website to learn more about what I offer and to book me for your next event!** I am eagerly looking forward to spreading the Good News of Jesus and help people, by the power of the Spirit, to find a reason to believe!

## A Season of Giving

We are entering into the season of giving, and **we are so thankful to all of those who have generously given to this ministry.** Without you and your support, we would not have this ministry. You are being used by God to help us spread the news of Jesus around the world and strengthen their faith by using logic, the Bible, science, and history.

Evidence 4 Faith relies on these donations, and if you are not currently giving, then we would ask for you to prayerfully consider if joining this ministry as a supporter is what God is asking of you. **And if you are looking to make an end of the year tithe, then consider offering it to Evidence 4 Faith!** As always, your prayers are always appreciated and needed!

## Keep us in your prayers!

- **Michael had his surgery on November 24<sup>th</sup>.** It was a very painful surgery with only a 50% chance that it will give him the relief we are hoping for. **Please continue to pray for him as he heals and that he will be relieved of his pain!**
- **Pray for more opportunities for Michael to speak at live events.**
- Pray that we will be able to fill our **trip to Israel** and the **Marine Biology Trip.**
- **Pray for more funding and monthly donors.** We currently are at 68% fully funded. **Please consider joining our team of ministry supporters!**
