

We're Not Slowing Down!

Saying good-bye to Isabel and wishing her all the best with her next chapter!

Some changes have taken place here at Evidence 4 Faith this past month. **We said goodbye to our Marketing Specialist, Isabel Kolste**, as she took a job position at a Christian camp, with hopes of pursuing a career in camp ministry. Though we are so happy for her and this opportunity, she will be greatly missed here at E4F, and we appreciate all she has done for this ministry! Michaela Vorwerk, Michael Lane's daughter and the current Communications Manager, has now added Isabel's responsibilities to her task load, and we have given her the title of Chief Communications Officer.

Despite having one less employee, we have not slowed down one bit! **We are continuing to release three new productions each week, sometimes even a bonus episode!** Last week we released a bonus episode on *Dinosaurs and the Bible* and this Thursday we will release Part 2 *Dinosaurs and Man!* episodes!

We also concluded our *Devotions by Sea* podcast series and have begun our **new series, Ask Michael**. In this podcast series, Michael will be answering his frequently asked questions concerning the Bible, archaeology, science, and Christian living. Each Monday, we will release a new question with his answer! **If you have your own question, you can message or email us, and it may be featured in one of our episodes!**

Michael is an engaging speaker for all ages!

Speaking Events

I have a few speaking engagements coming up later this summer, but **I would love to continue filling up my calendar!** Summer is a great time to let pastors have some time off, and I would be happy to fill the pulpit for a Sunday morning service! I also can offer workshops or classes for other events as well.

And though summer is just starting, I am also looking forward to getting dates on my calendar for Fall and beyond! Contact us if you would like to have me come speak!

MB Early Bird Extended

We have decided to extend our Early Bird discount for a whole extra month! **If you register by June 30th, you will receive \$200 off registration!** We already have people signing up so don't wait!

Having fun on the MB Trip!

Marine Bio Sponsors!

The Marine Biology program has proven to greatly impact people's lives, and every year students grow closer to God as their faith is deepened by exploring His creation. Even though the next MB Trip is still many months away, **we are already looking for sponsors. There are a lot of expenses involved in operating this trip, and since we want to keep the price for the students as low as possible, we are seeking financial help from sponsors.** All donations will go towards equipment, scholarship funds, accommodations, and more.

There are different levels of Sponsorship, with perks for you as well! If you are interested in learning more about becoming an MB Sponsor, visit our website!

Support

Since we have now begun our new fiscal year, we are earnestly seeking financial support so we can achieve full funding. **Currently we are 50% fully funded**, and our goal is to raise \$12,500 per month for a total of \$150,000 for the year. This goal includes salaries for the E4F Ministry Team, general business expenses, as well as costs for digital tools to create our free online resources.

E4F is especially praying for more monthly supporters. Consider pledging a monthly donation today, or if you are already a monthly donor, prayerfully consider if you would be willing to increase your monthly gift. **As a small token of our appreciation, our monthly donors will have the option to have their name/business featured on our annual Marine Biology Trip t-shirt. And, if you commit to a monthly donation of \$100 or more, we will give you/your business a shout-out on one of our podcasts/videos!**

If you feel called to donate to this ministry, please contact us or visit our website.

- 1.5K visits to our website

“All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.”
2 Timothy 3:16-17 ESV

Keep us in your prayers!

“Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.” Colossians 2:6-7 ESV

- **Please continue to pray for Michael’s hands as he is still struggling with them.** His feeling is still greatly limited in his fingers, and it is continuing to cause him pain.
Pray that God would give him complete healing.
- Pray that **God will provide opportunities** to speak!
- Pray that we can **fill the 2027 Marine Biology Trip.**
- Pray that we can raise funds to **financially support the Marine Biology Trip.**
- **Pray for more funding and monthly donors.** Please consider joining our team of ministry supporters!
