

Grateful Hearts

Enter his gates with thanksgiving, and his courts with praise! Give thanks to him; bless his name! ~ Psalm 100:4

Michael was given the opportunity to offer a six-week course at West Bend Community Church

It is hard to believe that another Thanksgiving season is upon us! As all of us at E4F take time to reflect on this year and our many blessings, we feel a sense of gratitude. **Gratitude towards the Lord** for all His wonderful gifts, mercies, and blessings He lavishes on us. **Gratitude to all our listeners**, both those who tune in virtually or have attended one of our live events. **And gratitude to all of you, our wonderful supporters.** We are so blessed to be the hands and feet of Jesus and for you partnering with us on this journey!

October was a busy month as I continued with the weekly course study that I had begun in the month of September at West Bend Community Church. The topic was on *“Historical Evidence of the Word.”* **The feedback I received was astounding! So many people approached me after expressing how much they learned and how greatly they appreciated receiving some apologetic teaching to help them defend their faith.**

I also had the opportunity to travel to my previous home church, Calvary Bible Church in Illinois, where we had attended before I was sent into the mission field. It was a blessing to be able to visit with both old and new friends. And while I was there, I was asked to speak at Hope Christian Academy where I presented our class *Pearls and Oysters*.

November will be another busy month of more speaking engagements, and I am looking forward to being able to present more apologetics to people of all ages. And of course, we are continuing with our video series *“The Creation: Combining Science & Theology”* and our podcast series *“Ask Michael,”* plus our Flashback Fridays where we are featuring a past episode on our social media platforms. I hope you have a chance to tune in to those!
